CASS provides the following services to its clients:

We charge for some of our services and ask for contribution towards the rest to cover our costs. Our charges are way below commercial rates but enable us to keep these services going. When you enquire about a service we might require an assessment before giving you a price.

We are looking for dedicated volunteers, apprentices and job seekers to help us in delivering these services.

If you are available and have got some time to spare could you please contact us .
